There will be 3 lists:

- Attendees by age
- Attendess by weight
- Attendess by clubs

Time schedule of categories will not be published as kids will be assigned to categories by real weights measured during weight check.

Fights will be ordered by age - **from youngest kids to junior categories.**

## 2. Categories:

You are required to input first name, last name, sex, club, birth year and weight during online registration to the KIDS STORM 7. Please input the weight approximately with precision  $\pm 2\text{kg}$  NO GI! This information is only indicative. The most important weighting will be held in tournament (**NO GI**). Categories will be created on site according to this weight. There is no risk of someone being disqualified because of incorect weight information presented in the online form, although we are begging you to be as precise as possible as it will allow us to prepare estimated categories and it will speed up the whole tournament.

Categories will be created from fighters with aproximately same weight and age.

There **should not** be categories in which each two fighters:

- have weight difference more than 10%,
- have age difference more that 3 years eg. 2011 a 2008.
- have both boys and girls with exception of the youngest kids (years 2014 – 2010)

In case of fighters that can't be assigned to any group exceptions will be possible after consulation with trainers or parents.

Another exception is in case of too few girls in some groups. After consulation with trainers or parents, girls can compete with greater weight groups or with boys.

Groups will consist from minimum of 3 fighters. Our intention is to create groups of 5 fighters so everyone could attend 4 fights.

Final order will be decided according to:

1. Number of wins
2. Result of mutal fight of fighters with same number of wins
3. Number of wins before time limit
4. Time left to the limit
5. Points gained in fights
